Thank you Fred.

Two other things:

1. If you get an opportunity this evening can you also provide comment on the OSP weekly guidance document that we sent you on May 10th (attached). We'd like to share this with PSS and regional staff soon if possible.
2. I'll send the STEM vol event email around by COB today if I don't see any comments from you. I sent you draft language yesterday afternoon after clearing it with our designated ethics folks.

Best,

KS
